At this point you may not know exactly how many hours you are taking in the Fall 08 or Summer of 08. If you know that you will most likely be fulltime, place 12 (undergrad) or 9 (grad) credit hours in the space and you will be certified for the Winter as well. Call us if you are unsure what to place for Summer 08.

Do you have direct deposit set up? YES _____ NO _____ The VA is now requiring direct deposit.

If no, then you must submit a Direct Deposit Enrollment form (VA form 24-0296). This form can be obtained by going to the below web address and scrolling down to the form:

http://www.gibill.va.gov/education/education_forms.htm

This form then needs to be sent directly by you, the student, to the VA.

If you are a chapter 30 or 1606 and verify your hours via the WAVE, you may also change your direct deposit information at that site. I would not recommend closing any old accounts until after you begin receiving your benefits into the new one.

Please note: You and the University of Missouri are obligated, by law, to report your academic progress. By signing below, you are obligating yourself to the following: (*please read & initial each statement*)

- I agree that if I withdraw from my classes or leave the university, for any reason, I will **notify IN WRITING OR EMAIL** the certifying official (MU Veterans Services in 230 Jesse Hall). (this includes graduation)
- I agree to promptly notify **IN WRITING OR EMAIL** the MU Certifying Official of ANY and ALL changes which occur in the information furnished in this form.
- I understand MU policy on satisfactory progress and MU procedures for adding, dropping and withdrawal from school. I agree that it is my responsibility to comply with these policies and procedures.
- I accept personal liability for any overpayment made to me by the VA which results from my failure to comply with MU policies and procedures, or VA regulations, and agree to refund such overpayment promptly to the VA or MU.
- I authorize the information furnished on this form to be released to the VA. I further authorize MU to submit, to the VA, any changes that may occur which affect my benefit payments and to share academic information as requested by the VA on my behalf.

Please make sure that you have filled in all of the blanks and remember, if we can not read it, it will cause a delay in getting you certified for your classes.
