THE UNIVERSITY OF MISSOURI
WHY MIZZOU FITS YOU

There’s an intensity of spirit that lights up every aspect of life at the University of Missouri.

As the major public research university in the state, MU is a place where faculty and students work together to solve problems and improve lives. Mizzou is classified with American universities that offer the most educational opportunities and the highest level of instruction. MU is also proud to be one of only 34 public universities to be a member of the Association of American Universities. AAU members are top-tier schools with outstanding teaching and research endeavors. Even as undergraduates, Mizzou students have opportunities to contribute to world-class research on campus.

Community colleges
1,834 institutions
YOU CAN EVEN DESIGN YOUR OWN.

Many majors have concentrations/tracks, which are collections of courses leading to a more focused program of study. Find this list and links to more info at admissions.missouri.edu/schools.
WHERE IS MIZZOU?

Mizzou is located in Columbia, Missouri, approximately two hours from St. Louis and Kansas City. People in the Midwest region of the U.S. have a reputation for being some of the friendliest, most welcoming people on the planet. Columbia is consistently ranked as one of the best places to live in the U.S.
Mizzou has more than 20 housing options. Each one is a supportive community for living and learning. Every residence hall offers similar basic amenities, so you can focus on choosing which Learning Community (LC) and/or Freshman Interest Group (FIG) fits you. All students live together in LCs and FIGs that encompass similar interests or academic paths so everyone gets the most out of their living and learning experience.

Same goes for roommates — once you’ve selected your community, chances are good you will have a roommate with similar interests.

We offer four residential dining facilities, six à la carte kitchens and several restaurants, coffee shops and convenience stores.

ALL OF OUR RESIDENCE HALLS OFFER:
• Wi-Fi throughout each hall and room in addition to high-speed Ethernet in each student room
• PC and Mac computer labs nearby with internet access, specialized software and laser printers
• Professional residence hall coordinators and student staff members who live in the halls
• All the stuff you need to make Mizzou home: kitchens, laundry, lounges, study rooms and social spaces. Visit reslife.missouri.edu

KEEPING INTERNATIONAL STUDENTS IN MIND
Mizzou has housing that opens early to accommodate International Student Welcome Week, as well as halls that stay open over holiday and semester breaks.
GET GOING, GET INSPIRED, GET INVOLVED.

MIZZOU STUDENTS DON’T SIT STILL FOR LONG. MU has more than 600 student organizations ranging from Greek life to club sports to academic interest clubs and everything in between. And with more than 50 club and intramural sports, the Student Recreation Complex houses: the Jungle Gym, featuring a high energy, 100-station cardio gallery; wall-to-wall strength training equipment; the Fitness Showcase, which is the official collegiate test site for several high-end equipment brands; and the Pump Room, where you can lift more than 6,300 kilograms of free weights (just not all at the same time). We’ve also got a dedicated boxing-style training gym and don’t forget the four-pool Mizzou Aquatic Center, complete with waterfall, sauna and sunshine.

To learn about all there is to do at Mizzou, visit admissions.missouri.edu/mizzou-life

U.S. News & World Report regularly lists Mizzou’s learning communities — including Freshman Interest Groups — among the best in the nation. Learn more about living on campus at admissions.missouri.edu/housing.
WHEREVER YOUR PATH IS HEADED, MIZZOU IS A GREAT PLACE TO START.

As a student, you'll have the opportunity to earn credit across the world through our study abroad programs. After graduation, you'll join our international network of alumni who are leaving their paw prints in various career fields and geographic locations.

- AT&T
- Apple
- Boeing
- Caterpillar
- KPMG
- Microsoft
- Monsanto
- NBC News
- The New York Times
- PricewaterhouseCoopers
- Toyota

WONDERING HOW YOU’RE GOING TO PAY FOR COLLEGE? You are smart to be thinking about that now. Scholarships for international students are available for academic achievement or talent.

Qualified international students are eligible to receive our annual International Merit Scholarship of $5,000. Highly qualified students can also be invited to apply for our International Honors Scholarship that pairs automatic admission to the MU Honors College with a $10,000 yearly award. International students who are children of an MU graduate could be eligible for our Global Heritage Scholarship that waives non-resident tuition. All scholarships are renewable annually through academic achievement.
