

Transfer to Mizzou Major-Specific Admission Guide

This guide is for informational and planning purposes only. It may not be possible to offer admission to all qualified applicants in a degree program because of a competitive applicant pool and space limitations.

Transfer Admission Requirements

To be admitted to Mizzou as a transfer student, you must first meet any of the following criteria:

- Have a 2.5 GPA on completed college-level credits AND EITHER a grade of C- or better in a transferable math course (intermediate algebra or higher or statistics), OR a grade of C- or better in a transferable English composition course (English comp 1 or higher).
- If you have completed fewer than 24 college-level credits, you must also meet MU's [freshman admission requirements](#) in addition to the criteria above.
- A 2.0 GPA from a UM school OR
- Transfer from a regionally accredited Missouri or border state college with a 2.0 GPA AND EITHER an associate of arts (AA) degree OR the Missouri CORE 42. General education requirements will be considered fulfilled.

General admission to Mizzou does not guarantee admission to an individual degree program, which often has its own admission requirements. Transfer students may be admitted to the University as Exploring students if the desired program prerequisites are not met or if the preferred major has filled to capacity. Students with 75 or more earned credit hours cannot be admitted to the University as undeclared students.

Planning Your Coursework

RECOMMENDED COURSES: Several majors require specific course completion prior to admission to the program.

COURSE ARTICULATION: To find course equivalences, please review transfercourses.missouri.edu.

CORE 42 Completion: If a student has the CORE 42 completion designation from a public (and participating independent) two- or four-year college or university in Missouri and a 2.0 GPA then they met our general admission requirements and will be accepted by the University as having completed MU's General Education requirements (like the AA degree).

Veterans: A veteran or military service member with fewer than 24 graded college-level credits and does not meet MU's first-time college admissions requirements, may apply for admission after successful completion (minimum 2.5 GPA) of 12 hours of coursework at an accredited college/university, including the completion of transferable English or math course (unless already earned) with a grade of C- or better.

Nontraditional Students: An applicant who has not been enrolled full-time at any college or university for at least four years, and does not meet MU's first-time college admissions requirements, may apply for admission after successful completion (minimum 2.5 GPA) of 12 hours of coursework at an accredited college/university, including the completion of a transferable English or math course (unless already earned) with a grade of C- or better.

School/College	Major	Required Courses for Admission to Major	Minimum GPA to be Considered	Additional Recommended Courses to complete prior to transferring for the purpose of efficient degree completion	Additional Information
College of Agriculture, Food and Natural Resources			2.50 (or 2.00 if AA or CORE 42 completed)		
			Agriculture Education w/ Emphasis in Teaching Certification: Admission GPA requirements fluctuate based on coursework completed.		
College of Arts and Sciences	All Majors		2.50 (or 2.00 if AA or CORE 42 completed)		2nd Undergraduate Degrees are not allowed in the General Studies program.

	BSBA Online				

College of Education and Human Development	BSEd, BES, BS		2.50 (or 2.00 if AA or CORE 42 completed)		All transfer students applying to the University of Missouri for enrollment in CEHD must meet admissions standards for the University of Missouri.
School of Engineering	All Majors/Certs		2.50 (or 2.00 if AA or CORE 42 completed)	muengradvising@missouri.edu	All transfer students admitted to ENGR program if MU general admission requirements are met.
College of Health Sciences	Clinical Laboratory Science (apply as Pre-Health, Clinical Laboratory Science)	None	Recommended: 2.5 cumulative and 2.5 math/science	Email chsadvicing@missouri.edu for recommended courses and program application information, including deadline	Students are admitted as Pre-Health, Clinical Laboratory Science -- selective admission program requires departmental application by published deadline
	Diagnostic Medical Ultrasound (must apply as Pre-Health, Diagnostic Medical Ultrasound)	None	Recommended: 3.0	Email chsadvicing@missouri.edu for recommended courses and program application information, including deadline	Students are admitted as Pre-Health, Diagnostic Medical Ultrasound -- selective admission program requires departmental application by published deadline
	Nuclear Medicine (apply as Pre-Health, Nuclear Medicine)	None	Recommended: 2.5	Email chsadvicing@missouri.edu for recommended courses and program application information, including deadline	Students are admitted as Pre-Health, Nuclear Medicine -- selective admission program requires departmental application by published deadline
	Radiography (apply as Pre-Health, Radiography)	None	Recommended: 2.5	Email chsadvicing@missouri.edu for recommended courses and program application information, including deadline	Students are admitted as Pre-Health, Radiography -- selective admission program requires departmental application by published deadline
	Radiography (Missouri Online Program)	None (must be an ARRT-registered Radiologic Technologist)	2.50 (or 2.00 if AA or CORE 42 completed)	Email chsadvicing@missouri.edu for recommended courses	Available for ARRT-registered Radiologic Technologists RT(R) who seek a bachelor's degree
	Respiratory Therapy (apply as Pre-Health, Respiratory Therapy)	None	Recommended: 2.5	Email chsadvicing@missouri.edu for recommended courses and program application information, including deadline	Students are admitted as Pre-Health, Respiratory Therapy -- selective admission program requires departmental application by published deadline
	Respiratory Therapy (Missouri Online Program)	None (must be a credentialed registered respiratory therapist (RRT))	2.50 (or 2.00 if AA or CORE 42 completed)	Email chsadvicing@missouri.edu for recommended courses	Available for credentialed registered respiratory therapists (RRT) who seek a bachelor's degree
	Fitness Programming and Management	None	2.50 (or 2.00 if AA or CORE 42 completed)	Email chsadvicing@missouri.edu for recommended courses	Students are admitted to Fitness Programming and Management if MU general admission requirements are met.
	Health Science	None	2.50 (or 2.00 if AA or CORE 42 completed)	Email chsadvicing@missouri.edu for recommended courses	Students are admitted to Health Science if MU general admission requirements are met. An emphasis area must be selected.
	Health Science (Missouri Online Program)	None	2.50 (or 2.00 if AA or CORE 42 completed)	Email chsadvicing@missouri.edu for recommended courses	Students are admitted to Health Science if MU general admission requirements are met.
	Occupational Therapy Assistant (apply as Pre-Health, Occupational Therapy Assistant)	None	Recommended: 2.5	Email chsadvicing@missouri.edu for recommended courses and program application information, including deadline	Students are admitted as Pre-Health, Occupational Therapy Assistant -- selective admission program requires departmental application by published deadline
	Physical Therapy (apply as Pre-Health, Physical Therapy)	None	2.50 (or 2.00 if AA or CORE 42 completed)	Email chsadvicing@missouri.edu for recommended courses	Students are admitted as Pre-Health, Physical Therapy -- there is no direct transfer option
	Public Health	None	2.50 (or 2.00 if AA or CORE 42 completed)	Email chsadvicing@missouri.edu for recommended courses	Students are admitted to Public Health if MU general admission requirements are met.
	Social Work (apply as Pre-Social Work)	None	Varies by completed credit hours (2.3-2.5)	Email chsadvicing@missouri.edu for recommended courses	Students are admitted as Pre-Social Work -- selective admission program requires departmental application by published deadline
	Speech, Language and Hearing Sciences (apply as Pre-Health, Speech, Language and Hearing Sciences)	None	Recommended: 3.0	Email chsadvicing@missouri.edu for recommended courses	Students are admitted as Pre-Health, Speech, Language and Hearing Sciences -- there is no direct transfer option Recommended 3.0 GPA
Undeclared, CHS	None	Recommended: 2.5	Email chsadvicing@missouri.edu for recommended courses	Students are admitted to Undeclared, CHS if MU general admission requirements are met.	

	UCERT in Fitness Programming and Management	None	2.50 (or 2.00 if AA or CORE 42 completed)	Email chsadvising@missouri.edu for recommended courses	Students are admitted to the Undergraduate Certificate in Fitness Programming and Management if MU general admission requirements are met.
	UCERT in Natural Environment and Human Health	None	2.50 (or 2.00 if AA or CORE 42 completed)	Email chsadvising@missouri.edu for recommended courses	Students are admitted to the Undergraduate Certificate in Natural Environment and Human Health if MU general admission requirements are met.
	UCERT in Public Health and Gender	None	2.50 (or 2.00 if AA or CORE 42 completed)	Email chsadvising@missouri.edu for recommended courses	Students are admitted to the Undergraduate Certificate in Public Health and Gender if MU general admission requirements are met.
School of Journalism	Undeclared, Journalism	None	0-59 credits student must have 2.8 GPA and 60+ students must have 3.0 GPA	Email journalismstudentservices@missouri.edu	Transfer students are eligible to enroll as undeclared journalism majors when they meet MU's freshman admission requirements and earn a minimum cumulative college transfer GPA of 2.75.
Discovery Center	Exploring		2.50 (or 2.00 if AA or CORE 42 completed)		Students with <60 credit hours can be admitted to the Discovery Center and after enrolling, must declare a major before earning 60 credit hours. Students between 60-75 credits will have one semester with the Discovery Center before declaring a major. Students >75 credits may not be admitted to the Discovery Center.
School of Nursing	RN-BSN	Associate Degree in Nursing	2.5	Microbiology Anatomy Physiology Statistics College Algebra or Quantitative Reasoning English American History or Government Humanities/Fine Arts (9 credits) Psychology Sociology Nutrition Developmental Psychology or Principles of Human Development	
College of Veterinary Medicine	Microbiology		2.50 (or 2.00 if AA or CORE 42 completed)	Recommended but not required: solid foundation in math, chemistry, physics, and biology. Applicants can email microbiology@missouri.edu .	
	Veterinary Technology	Associate Degree in Veterinary Technology from AVMA-accredited institution	2.5	Any/all general education courses required for graduation	Admissions requires successful completion of VTNE that can be confirmed with submission of state vet tech license
	UCERT in Vet. Sciences & UCERT in Biomed. Sciences		2.5
