This transfer guide is intended to help you prepare for your transfer from North Central Missouri College to the Bachelor of Science in Business Administration degree at MU. *This plan is not a substitute for academic advising.* Before following this guide, we encourage you to contact an MU academic advisor for further information about degree requirements, course selection, and graduation requirements.

**Contact Information**

Trulaske College of Business  
573-882-6028  
nicwarnerd@missouri.edu

**Transfer Admission Requirements**

Admission to Mizzou does not guarantee admission to the business degree. At the time of application to Mizzou, students interested in a business degree are first considered for general admission to MU and then for admission to lower level business (undeclared business). Admitted students are considered lower level business until they apply to the upper level program. *Students who are admissible to MU but are not admissible to business must choose another MU degree program.*

**Admission to Mizzou:**

- Transfer students who meet MU's freshman admission requirements must have a 2.5 transfer GPA in college-level courses to be admitted.
- Transfer students who do not meet MU's freshman admission requirements must have:
  - A minimum of 24 transferable college-level credits;
  - A 2.5 GPA in transferable college-level courses; and
  - Either College Algebra with a C- or better or the equivalent to MU's English 1000 with a C- or better.
- Transfer students with an associate of arts (AA) degree from a regionally accredited Missouri community college are considered to have met the general transfer admission requirements.

**Admission to Lower Level Business:**

Transfer students with fewer than 30 credit hours are admitted to lower-level business if they meet the general transfer admission requirements. The transcripts of students with over 30 credit hours are evaluated to determine if the student will be able to complete requirements to apply to an upper level emphasis area by the semester after they have completed 60 credits.

**Admission to Upper Level Business:**

To be eligible for application to an upper level emphasis area:

1. Students must be in residence full-time (at least 12 hours) at MU for one semester.
2. Students must have a 2.600 UM cumulative GPA, but that does not guarantee admission. The UM GPA includes only grades from MU, UMSL, UMKC or Missouri S&T.
3. A minimum of 45 semester hours of college-level credit must be completed. Students need to be admitted by the semester after earning their 60th hour or they will have to transfer out of the Trulaske College of Business.
4. Upper level admission courses are required to be completed or in-progress. The upper level admission courses are listed on the next page.
5. 70 Professional Development Program Points are required. The Professional Development Program (PDP) is a program that goes beyond the classroom to prepare Trulaske College of Business undergraduate students for a successful career. Points are earned by attending seminars and other activities. Once admitted to upper level, students must continue to earn PDP points.
